BEVERLY HILLS, CA – Anchor Bay Entertainment announced today the Blu-ray™ Combo Pack and DVD release of the psychological thriller, **On The Inside**, starring Nick Stahl (*Sin City*, the Academy Award® nominated film *In the Bedroom*), Olivia Wilde (*TRON: Legacy*, “House”), and Dash Mihok (*I am Legend*, *The Thin Red Line*). Written and directed by D.W. Brown, **On The Inside** tells the story of a decent, but troubled young man, who is sent to a psychiatric institution for the criminally insane, only to find himself in a fight for his life. Produced by Jamie Kennedy (“The Jamie Kennedy Experiment”, *Scream 1-3*), **On The Inside** heads to retail on July 24, 2012 for an SRP of \$29.99 for the Blu-ray™ Combo Pack and \$26.98 for the DVD.

In addition to Stahl, Wilde and Mihok, **On The Inside** features a talented supporting cast, including Daniel Franzese (*I Spit on Your Grave* (2010), *Mean Girls*), hip-hop singer — and one of the leaders of the Philadelphia hip-hop band and “Late Night with Jimmy Fallon” house band, The Roots — Tariq ‘Black Thought’ Trotter (*Bamboozled*), with Pruitt Taylor Vince (“The Walking Dead,” “The Mentalist”), and Academy Award® nominee Shohreh Aghdashloo (*X-Men: Last Stand*, *House of Sand and Fog*).

In **On The Inside**, Allen Meneric (**Nick Stahl**) is committed to a psychiatric institution for the criminally insane after carrying out a brutal revenge murder. There, he is forced to deal with the very ill and the dangerous until, as part of a socialization program, he is transferred to minimum security where he meets a beautiful bipolar female inmate named Mia (**Olivia Wilde**). Ever haunted by his past, Allen seeks his redemption when sudden events demand that he protect Mia from the violence and chaos of the institution.
